Helping Your Child With Homework Questions

1. It is important to set a regular schedule for study time with your child. If there is not enough time to complete homework assignments, what might you need to do if your child is involved in extra-curricular activities?
2. What two things might be accomplished by you designating a certain amount of time that your child has to devote to studying or learning activities each school night?
3. What are some possible distractions in your home that could make doing homework difficult?
4. Educational games, library visits, and trips to museums can be good learning experiences.
T or F
5. Name some ways you can show an interest in your child's education.
6. Children are more likely to _____ when parents monitor homework.
7. What questions should you ask your child's teacher at the beginning of the school year in order to help you monitor assignments?
8. When your child has completed his or her homework, you should look over the assignments. After the teacher returns the completed homework, it is a good idea to read the comments the teacher has made. T or F
9. Why should you monitor your child's television viewing?
